

Coda Audio loudspeaker array design software, control software, performance prediction software, “Preset” data files and related management files and up-dates.

Important notice:

By downloading and installing, copying or otherwise using the software and data file included on these pages, you agree to the following terms and conditions which form this license statement. This is a legal agreement between you, either as an individual or a single entity and Coda Audio. In so doing, you agree to be bound by all the terms and conditions of this license agreement.

The software and data and related management files are owned by Coda Audio or its suppliers, they are protected by international copyright law and treaty. The software, data files and related management files, must be treated in the same way as any other copyrighted material. You agree not to rent, lease, sell, modify, translate, sublicense, time share or in any other way claim ownership or financial gain from the use of any files contained within these pages.

You agree that the software and data files and related management files remain the property of Coda Audio at all times and acknowledge that the same includes confidential trade secret information of Coda Audio and or its suppliers and therefore you agree not to modify or attempt to reverse engineer, decompile, or disassemble the same, except and only to the extent that such activities are expressly permitted by applicable law notwithstanding this limitation. If upgrades or upgraded versions or patch of software or any other data is supplied, it constitutes part of this agreement.

Coda Audio and or its suppliers will in no event be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profit, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use the software products or the provision of or failure to provide support services, even if Coda Audio has been advised of the possibility of such damages.

All product(s) CAD design drawings are the property of Coda Audio; Coda Audio reserves the right to make changes to any aspect of any CAD file contained within these pages without prior notice. No liability for any changes made and the effect thereof is accepted by Coda Audio.
